

Corrosion Control Equipment

Fiberglass Structural Products

- **Grating & Structural Systems** - Molded, pultruded and covered grating products
- **Fabricated Structures** - Platforms, stairways, ladders, handrail and custom fabrication
- **Pultruded Structural Shapes**
- **Siding & Roofing Panels and Gutter Systems**
- **Doors, Frames and Sashes**
- **Ventilation Systems and Louvers**
- **Cabletray and Strut Systems**

Composite Fluid Control Products

- | | |
|--|--|
| Fiberglass Pipe & Ducting | <ul style="list-style-type: none">• 1" to 12' diameter, up to 4,000psi and to 275°F• ABS-approved Marine Piping• Chemical resistant, abrasion resistant and double wall piping• Dual laminate (plastic-lined fiberglass) piping• Fiberglass duct and dampers• PTFE-lined metallic pipe fittings |
| Tanks & Vessels | <ul style="list-style-type: none">• Fiberglass storage vessels, scrubbers and specialty equipment from RTP-1 certified shops• Large diameter vessels and equipment, up to 120' diameter• Underground FRP Storage Tanks – UL Listed• Field repair & erection services• Dual laminate (plastic-lined fiberglass) vessels and specialty equipment |
| Composite Ball & Butterfly Valves | <ul style="list-style-type: none">• 1" to 10" dia. ball valves, 2" to 42" dia. butterfly valves, ball and swing check valves, 3-way port valves |

Industrial Flooring & Containment Systems

- **Concrete Polymer Floor Toppings**
 - **Acid Brick & Tile Systems**
 - **Anchored Thermoplastic Lining Systems**
 - **Polymer Grouts, Mortars & Setting Bed Materials**
-
- Emergency pipe repair and leak control products
 - Teflon expansion joints, available in ½" to 42" diameter, 2 through 12 convolutions
 - Sight-flow indicators with safety shields
 - Teflon-lined dip tubes & spargers, vessel accessories, custom-lined fittings and teflon-lined strainers
 - Pipe fitting safety shields
 - Chemical hoses & gaskets

WE REPRESENT THE FOLLOWING MANUFACTURERS

www.mascottec.com

NOV Fiberglass Systems	Fiberglass Piping
Kentec Composites	Grating, Structural Shapes, Ladders
Ershigs, Inc.	Fiberglass Tanks & Piping
Pureflex	Composite Valves
Resolite	Fiberglass Siding & Roofing Products
Belco Manufacturing Company	Fiberglass Tanks, Piping, Duct
Fabricated Plastics, Ltd.	Dual Laminate Tanks & Piping
Atlas Minerals & Chemicals	Chemical Resistant Flooring Systems
Anchor-Lok	Lining System for Trenches, Sumps, Containment Areas
Ethylene	Teflon Expansion Joints, Flo-vu Sight Glass
CSI	Underground Fiberglass Tanks & Oil Water Separators
OPW Engineered Systems	Dry Disconnects/Swivel Joints/Stainless Steel Valves
Fusibond	PTFE Lined Pipe & Fittings
Indumar	Pipe and Tank Leak Repair Products
Seasafe	Fiberglass Strut & Cable Tray Systems
Ramco	Flange and Valve Safety Shields
Chempruf Door	Fiberglass Doors, Frames, Sashes
CREE	LED Lighting
Goodyear	Hose
Hannay	Hose & Cable Reels
Pneumercator	Leak Detection & Inventory Control Systems
Corken	Positive Displacement Pumps

PORTLAND

435 NE Hancock
Portland, OR 97212
