EXAMINATION RESULT **PASS**

Congratulations! You have passed this examination. Generally, ICC certificates are current for two years; check with your state for expiration periods in your state.

We've simplified your experience in receiving your wallet certificate. The Code Council has added a "Print" demand option for you to print your own certificate in your home or office. This comes at no additional cost to you. When you are logged into myICC, click on the "My Certificates" tab. Under "My Certificates" you will find an "Action" column that gives you the option to print your certificate.

Need to update your name or address on the top bar to your myICC account? [Click here](#) to update your profile.

If you have a question, call or email us at The International Code Council at 888.472.7295 ext. 5924 or customerservice@icc.org

The Code Council reserves the right to amend or withhold any examination scores if, in its sole opinion, there is adequate reason to question their validity.

Thank you for your support to public safety!
